ART OF GIVING- Quotes

**'It is not having that makes men great. A man
May have the largest abundance of God's gifts – of
Money, of mental acquirements, of power, of heart-
Possessions and qualities- yet if he only holds and
Hoards what he has for himself, he is not great.
Men are great only in the measure in which they
Use what they have to bless others. We are God's
Stewards and the gifts that come to us are his,
Not ours, and are to be used for him as he
Would use them.'**

J.R.MILLER

Our Goal and appeal our goal is to UPLIFT Needy/ downtrodden families by Higher Educational Empowerment.

Our Goal is to uplift downtrodden families. We have observed that there are good no of Brilliant students, hailing from needy families, who secure excellent result in 12th Science and are able to get admission in good Degree Engineering or Medical colleges but due to lack of financial resources, they are not able to undertake college Studies. We could see that if we support such Students, we can achieve our Goal.

We have, by now supported 1512 nos. of Brilliant/Needy Students Out of these, 597 nos. of our students who have completed their studies, of which 565 nos. (95%) are very nicely employed and success stories of almost 150 nos. out of them are attached to our profile Book which is enclosed to this mail.

We at present need in average, Rs.50,000/Student/year for Degree Engineering students, and for their 4 years' course, we need total Rs. $50,000 \times 4 = \text{Rs.}200,000=00$ and for Medical students, Rs. 2,50,000=00. Donor can provide funds to us every year or for entire course in one go.

The list of top 40 nos. of our scholars who have secured excellent jobs is also attached. It can be seen that top student has got Job with Salary of Rs. 49 Lacs per year, 3 no of them have got Rs. 27/ 28 Lacs per year and 8 nos with salary exceeding Rs. 8 Lacs/ Year and others between 5 Lacs to Rs. 7.18 Lacs/ Year. It may be relevant to point out even cos like Infosys, TCS and many other are paying starting salary of approx Rs. 3 Lacs/Year

As against the above, max. Annual income of the family of our scholars is Rs. 2 Lacs while, 80% of 107 nos. of Students inducted in 2017-18 had annual income of below Rs. 1 Lac.

70% of our scholars are studying is Degree Engineering courses, 25% in Medical courses and balance for CA and other courses. 444 nos. of our scholars have done MBBS.

We are very happy that due to generosity of our kind donors, by now we have disbursed more than Rs. 16 Crores and are disbursing already Rs. 1.5 to Rs. 2.0 crores to our Scholars every month.

In earlier years, our requirement per student was much less but now, after 13 years, due to rising fees and living expenses, it has almost doubled, also due to as specified by us, their getting admissions in top engineering colleges with much higher fees, to get good campus Jobs, while in other colleges, there is hardly any cos coming to offer good campus Jobs. In the present times of scarcity of fresh Jobs, we have adopted this strategy that it is better to study in top ranking colleges and get quicker good salaried Jobs in comparison to study in other colleges where their students do not get job for quite some time, after Graduation.

Our mission is for UPLIFTMENT of downtrodden families thro' Higher Educational Empowerment to their Brilliant children. Even by spending our latest requirement of Rs. 2 lacs/2.5 lacs per student, if we can UPLIFT a Needy family perpetually, you may appreciate that it is very low cost to perpetually UPLIFT a needy family and it is sure-shot outcome too.

Some of our Donors in Past, have even sponsored even up to 100 students singly. Some have sponsored even 2 nos. also. One may kindly consider to sponor no. of Students as Suitable and please participate in this worthy cause and excellent Impact /Success.

With Best Regards.

(J.K.Shah)

Managing Trustee

Higher Education Support Trust, Bharuch

Cell no:- 9825322121

Summary of our Activity:

- 1) Higher Education Support Trust was established on 31st July 2006, for Supporting Higher/ college Education of needy bright students who have mainly passed 12th (science) with excellent result for ultimate goal to uplift family of needy students.
- 2) For source of finance it was decided to approach institutions, corporates and individuals etc. for Donations.
- 3) First batch of scholars was inducted in 2006 and then every year no of Scholars are being inducted depending on availability of funds by now till 2020, we have inducted 1512 no of Brilliant / Needy Students for our Financial & Motivational Support.
- 4) We mainly provide shortfall amount of students with max amount at present of Rs. 70000=00 per student per year and we provide funds by 6 monthly installments after examining semester results.
- 5) None of our scholars have taken Drop or failed. As per the last performance Analysis,
 - 98.25% (282 nos.) of our Scholars have secured above 60% marks.
 - 6.27% (18 nos.) of our Scholars have secured above 96% marks.
 - 14.98% (43 nos.) of our scholars have secured between 90 to 95% marks.
- 6) (a) By now as on 2nd may 2022 966 scholars have completed studies and 548 are studying.
(b) Our scholars have mainly done Degree Engineering, Medical & CA as follows:
Degree Engineering: 1051 nos.
MBBS: 296 nos.
Other Medical Courses: 148 nos.
CA: 17 nos.

- 7) Share and care foundation (established mainly by Guaranties of USA have immensely liked our activity because of its great impact and have Contributed to us largest amount of Rs. 10 Crores including Donor advised funds. Balance amount is contributed by various other Donors.
- 8) We make immense efforts to identify students with excellent results & Minimum annual income of their families e.g in 20-21;

Marks Scored:

80% of students inducted Scored 81 to 100% Marks in 12th.

14% of Students inducted Scored 71 to 100% Marks in 12th

Family Income:

17% of students families had annual income upto Rs.1,00,000=00

68% of students families had annual income upto Rs.1,50,000=00

you may agree that students being selected are from very Needy Families and with inadequate facilities also they have scored very high Score in 12th. Their Family income are also Low.

Those who havr graduate, have good Satrting salaries also.

9) Starting salaries (Rs per year) of our Scholars:

- i) Between Rs. 15 lacs up to Rs. 91 lacs: 21 nos.
- ii) Between Rs. 7 lacs up to Rs. 15 lacs : 31 nos.
- iii) Between Rs. 4 lacs up to Rs. 7 lacs: 174 nos.
- iv) Between Rs. 3 lacs up to Rs. 5 lacs: 174 nos.
- v) Between Rs. Uoto Rs. 3 lacs: 379 nos.

Normally, even cos like L & T, Infoys, TCS and many other cos give starting annual salary between Rs. 3 to 5 lacs.

- 10)We have so far disburded Rs. 16 Crores to our inducted students for their studies.

HIGHER EDUCATION SUPPORT TRUST (HEST)

Preamble :

There are really Brilliant Students scoring more than 70% marks in class 12th in spite of having studied in ordinary schools and not having good facilities. These students can get admission in Engineering, Pharmacy, Computer / Software, Medical etc., but due to very low income, their parents cannot impart higher education to them. Our activity is to financially and mentally support such students so that they can become Engineers, Doctors etc., and uplift their families.

OUR MISSION:

To Perpetually UPLIFT Downtrodden/Needy Families by supporting their Brilliant and Determined children for their Higher Education in Professional Courses in Universities, mainly, Degree Engineering, Medicine and Chartered Accountancy.

Our Vision:

The benefits of the trust shall be open to all irrespective of caste, creed or religion. Without in any way limiting the generality of the main objects. The objects of the trust are to provide and to undertake the shortfall in the payment of costs directly and indirectly related to providing opportunities to individuals from weaker, poor, needy and underprivileged sections of public in India without any distinction to obtain higher education at university and / or equivalent educational institution in India, including –

- To institute studentships, scholarships, stipends, medals, prize etc. And award the same.
- To help and encourage / motivate, deserving students and to provide monetary and Other assistance to students, scholars for pursuing their education / higher / further study and to continuously monitor / guide them for their success apart from providing monetary assistance.
- To do all that is necessary and incidental for the purpose of achieving the objects mentioned above

Accounts & Auditing of HEST:-

- (1) We also get our accounts audited every year by reputed Chartered Accountant. This is also required by Charity Commissioner and Income Tax authorities and also FCRA authorities etc.

Registration of HEST:-

- (1) Our Trust is registered with charity commissioner vide no E/3164/Bharuch
- (2) Donations to our Trust qualify 80 G income tax concessions.
- (3) FCRA has granted as permanent registration no = 041990072, Nature =Educational to receive donations in Foreign Currencies from abroad without prior approval.

The Potential / The need for this activity.

- ❑ Std.XII is very crucial for students, as the result of STD XII is the basis on which they get admission for Higher Education in colleges.
- ❑ In Gujarat more than 5,00,000 students appear for STD XII (all streams). General/Commerce stream students have limited scope for Professional Course except they take up courses like CA, CS, and MBA etc. Whereas Science stream Students about 1,20,000 nos per year with good marks can get admission for Engineering, IT, Computer, Pharmacy, Medicine, Dental, Physiotherapy etc
- ❑ In STD XII (Science), results @ 30,000 students pass with first class and above grades.
- ❑ We have observed that there, are many very low income (Say less than Rs 1,80,000 per year) group families. There are more than 500 science stream students every year who are very brilliant but cannot undertake higher studies though they can secure admission in good Engineering, medical or other high potential courses as their parents cannot afford expenses to provide them college education.
- ❑ There are two types of colleges, 1) Govt/Grant-in Aid Colleges & 2) Self Financed Colleges.
- ❑ The Self Financed Colleges, charges annual fees of Rs 55000 to Rs 1,80,000 and above.
- ❑ (Earlier we were specifying max family income as Rs. 100,000 per year.)

Methodology of selection of needy students:

- (1) We work at the moment for Gujarat based students as it is difficult to cope up with all of Needy Brilliant students of even Gujarat alone, considering large funds required.
- (2) We do not distinguish between caste, creed, class, gender, community etc. and only criteria is brilliance and real financial hardship of the parents.
- (3) **Identification of such students :-**
 - (a) Every year, we write to large number of Higher Secondary School in Gujarat.

- (b) Many High schools of Gujarat to send list of such brilliant but needy students.
- (c) We also insert advertisements in main Gujarati News papers after 12th results are announced, seeking applications from such students.
- (4) After getting names and address we obtain extensive details by sending forms which includes proof of income, copies of results etc.
- (5) We then select brightest and poorest students out of applications received and its number depends on funds available. If funds available are to induct 50 new students we select about 75 to 100 students for paying visits to their residences to verify written details furnished and to assess real need.
- (6) We generally do not finance 100% of their expenses but do it as per short fall amount required and max about 90%.
- (7) The disbursement of funds is based on reimbursement against proof furnished of their expenditure, within sanctioned amount.
- (8) The financial assistance is on loan basis and recovery to commence after one year of their completion of course / earning commences. The agreements are signed by scholar. We however will take practice approach for recovery based on earnings and condition of the students' family.

Follow up with our Scholars during their College studies:-

- (1) We continuously get copies of various tests/exams given by students and monitor the status of their studies.
- (2) We have appointed honorary mentors at various places to
 - a. Assist and motivate students.
 - b. To continuously remind them to be successful and uplift their families, help others also.
 - c. To keep good health.
 - d. To keep good friend circle.
 - e. If there is English language problem to work on it by attending classes etc.
- (3) We also try to remain in touch by phones, meeting them etc.
- (4) We regularly organize review/interaction meetings at main places where large no of our scholars are studying.

Source of funds:

From kind Donors of the country eabroad By March 22 we have disbursed Rs. 16 crores to are/scholars 1512nos of.

Periodical Review/Interaction Meetings with our Scholars

We organize Periodical Review Meetings with the group of student studying at various locations like Surat, Ahmedabad, Anand/ VV Nagar etc where our students are studying.

Such Periodical Review Meetings provide an opportunity to understand the difficulties faced by the students and accordingly in guiding and counseling them. During such meeting we also arrange talks by some eminent speakers /motivators

History of Trust's Activity:-

The activity in the first year (2006-07) of the establishment of this Trust. :-

In March 2006, we conceived this activity and firmed up our mind to focus our work in this slot which has excellent potential to uplift large no of families by way of financially and motivationally to support very brilliant students, hailing from financially very weak families and so, their children though obtain 70/80/90% plus marks in class 12 (Science) and can obtain

admissions in degree courses in Engineering, Medical etc., they cannot get them educated because of their not being able to afford the expenses..

We observed that if such brilliant students get educated by our financial support within about 4-5 years, they will be able to become Engineers or Doctors etc. and then would be able to earn good income and UPLIFT their families.

We therefore inserted small advertisement in the local newspapers inviting applications for such students and their parents who would appear in class 12 examinations in March 06. Against our press advertisement, we got applications from 116 brilliant students.

We selected 55 out of 116 applications based on the most brilliant and the most needed ones. We interviewed them and selected 42 students who extremely deserved students.

We then, made synopsis of about 38 students and sent to our friends etc. with a letter of appeal to consider helping as many students as possible. Based on the positive response received from various donors, we could extend financial assistance in the first year of our commencement of this activity, to 38 students.

The Second Year (2007-08) of the activity :-

Since, normally annual exams of 12th are held in March of every year and the activity of the trust had commenced in March 06, we did not have much time to obtain all Gujarat statistics for selection of the first batch of students appeared for exams in March 06 and depended more response to our press Advertisement.

However, after the work for the selection of the first batch was completed, we got in touch with Directors of Education of each District of Gujarat and got the list of High Schools and obtained List of needy Students.

In the second year of our activity, considering 38 students to be taken care of the first year and availability of funds, we gave scholarships to 14 fresh students in 2007-08 who had secured excellent marks in March 07 exam of 12th and were hailing from very needy families.

The Third year of (2008-09) of the activity of the Trust. :

We were all the time trying to get funds from more donors so that in the Third year, we can induct more students and also take care of $34 + 14 = 48$ existing scholars as we have to help each year for 4 to 5 years of their full course. It was heartening that with the help of Share and Care Foundation, we got excellent commitment from Dr. Doshis of New York and locally by Adani

Group and Cadila Group, we were in a position to induct much large no of fresh students as our scholars.

We made extensive scrutiny of these applications, got details in our proforma, got details of admissions secured etc. Large no of our matured volunteers and mentors visited residences of almost 200 selected applicants based on their merit and means.

We meticulously prepared tabulations of these students along with visit reports and have finally released fresh scholarships to as much as 93 students.

Now there are $38 + 14 + 93 = 145$ students who are getting financial support from us for their higher studies.

The fourth year of our activity (2009-10):-

Similarly, when in May 2009, the result of 12th (Science) was declared, next day, we had advertised and written to large no of Schools to identify Brilliant but needy students. This time, we had increased the eligibility of minimum marks by 5% as last year, we had received 419 applications and we sanctioned scholarships to 94 nos only as per funds, we could mobilize.

The fifth year of our activity (2010-11):-

In 2010-11 also, we had received large no, of applications against which we could induct 43 nos of fresh scholars as per availability of funds.

The sixth year of our activity (2011-12):-

In 2011-12, we had received approximate. 444 applications out of which we have inducted 187 nos of fresh scholars. Thus, by now, we have inducted 468nos of students as our scholars.

The Seventh year of our activity (2012-13):-

In 2012-13, we have further inducted 111 fresh students. Thus total no of students as our scholars work out as $468 + 111 = 579$ nos.

The Eight year of our activities (2013-14):-

In 2013-14, we had received over 411 applications out of which we have inducted 72 nos of fresh scholars making total of $579+72=651$ nos to whom we are supporting for their Higher Studies.

The Ninth year of our activities (2014-15):-

In 2014-15, we had received over 556 applications out of which we have inducted 73 nos of fresh scholars making total of $651+73=724$ nos to whom we are supporting for their Higher Studies.

The Tenth year of our activities (2015-16) :-

In 2015-16, we had received over 600 applications out of which we have inducted 159 nos of fresh scholars.

- Against our Press Advertisements, letters to over several Schools, and to students who obtained A1 & A2 Grade, we have received approx 600 applications this year.
- Detailed scrutiny was done of these applications and 200 best applications were selected for visits to residences of these students.
- Based on Merit, Income & Visit Reports, we have sanctioned our interest free loans to 159 nos of worthy students.
- **Income Analysis of these 159 Students :**

No. of Students	Up to Rs. 40,000/ Year	41,000 to 60,000	61,000 to 80,000	80,001 to 1,00,000	1,00,001 to 1,20,000	1,21,000 to 1,40,000	1,41,000 to 1,60,000	1,61,000 to 1,80,000
159	29	23	36	37	17	7	6	4

- **Grade Analysis of these 141 students in 12th Science examination :**

No. of Students	A1	A2	B1
141	17	87	37

- **Merit Marks Analysis of these 141 students in 12th Science Examination.**

Merit Marks	91 to 100	81 to 90	71 to 80	61 to 70	55 to 60
Nos of Students	18	5	26	71	21

11th year of activity (2016-17):-

We have till November 2016, inducted 154 nos of fresh scholars,
The Analysis of 154 nos of fresh students inducted is as follows:-

(1) Income Analysis of these 154 nos of students' families:-

	Income upto Rs.50,000 Per Year	50,001 to 1,00,000	1,00,000 to 1,50,000	1,50,001 to 2,00,000	Total
Nos.	10	103	25	16	154

It can be seen that 74% of Scholars inducted have annual family income below Rs. 1,00,000=00 per year.

(2) Grade of Students in 12th (Science) Board Exam:-

Grade	A1	A2	B1	CA/CS/DtoD	TOTAL
Nos.	38	90	16	10	154

A1 = 91 to 100%, A2 = 81 to 90%, B1 = 71 to 80%.

It can be seen that 25% of Scholars inducted have scored above 90% and 59% have scored above 80 % marks in 12th science.

(3) Analysis of Courses of these 154 nos of students:-

	Medical Students	Engineering Students	CA/CS/DtoD	Total
Male	31	91	5	127
Female	15	7	5	27
Total	46	98	10	154

- i. Degree Engineering = 98 nos
- ii. Degree Medicine = 46 nos
- iii. Rest : CA/ CS/DtoD= 10 nos

All these 154 nos of fresh scholars have secured admissions in Gujarat's top most, reputed colleges as approved by us in Degree Engineering stream having excellent record of placement in good companies even in slowdown period and due to establishment large no of new colleges, resulting in much higher supply than Demand. It is also true in other streams.

Total nos. of Students Supported by us by now:

By now, total Students supported by HEST are 881+161=1042 nos.

12th year of activity (2017-18):-

We have till January, inducted 107 nos. of fresh scholars,

The Analysis of 107 nos. of fresh students inducted is as follows:-

(4) Income Analysis of these 107 nos of students' families:-

	Income upto Rs.50,000 Per Year	50,001 to 1,00,000	1,00,000 to 1,50,000	1,50,001 to 2,00,000	Total
Nos.	6	74	21	6	107

It can be seen that 74% of Scholars inducted have annual family income below Rs. 1,00,000=00 per year.

(5) Grade of Students in 12th (Science) Board Exam:-

Grade	A1	A2	B1	B2	TOTAL
Nos.	22	55	27	3	107

A1 = 91 to 100%, A2 = 81 to 90%, B1 = 71 to 80%, B2 = 61 to 70%.

It can be seen that 20% of Scholars inducted have scored above 90% and 51% have scored above 80 % marks in 12th science.

(6) Analysis of Courses of these 107 nos. of students:-

	Medical Students	Engineering Students	CA/CS/DtoD	Total
Male	20	63	2	85
Female	15	4	3	22
Total	35	67	5	107

- i. Degree Engineering = 67 nos
- ii. Degree Medicine = 35 nos
- iii. Rest : CA/ CS/DtoD= 05 nos

All these 107 nos. of fresh scholars have secured admissions in Gujarat's top most, reputed colleges as approved by us in Degree Engineering stream having excellent record of placement in good

companies even in slowdown period and due to establishment large no of new colleges, resulting in much higher supply than Demand. It is also true in other streams.

Total nos. of Students Supported by us by now: By now, total Students supported by HEST are 1042+107 = 1149 nos

13th year of activity (2018-19):-

We have till January, inducted 74 nos. of fresh scholars,

The Analysis of 74 nos. of fresh students inducted is as follows:-

(1) Income Analysis of these 74 nos of students' families:-

	Income upto Rs.50,000 Per Year	50,001 to 1,00,000	1,00,000 to 1,50,000	1,50,001 to 2,00,000	Total
Nos.	5	45	19	5	74

It can be seen that 68% of Scholars inducted have annual family income below Rs. 1,00,000=00 per year.

(2) Grade of Students in 12th (Science) Board Exam:-

Grade	A1	A2	B1	B2	TOTAL
Nos.	10	41	17	6	74

A1 = 91 to 100%, A2 = 81 to 90%, B1 = 71 to 80%, B2 = 61 to 70%.

It can be seen that 14% of Scholars inducted have scored above 90% and 55% have scored above 80 % marks in 12th science.

(3) Analysis of Courses of these 74 nos. of students:-

	Medical Students	Engineering Students	CA/CS/DtoD	Total
Male	25	42	1	68
Female	1	3	2	6
Total	26	45	3	74

- i. Degree Engineering = 45 nos
- ii. Degree Medicine = 26 nos
- iii. Rest : CA/ CS/DtoD= 03 nos

All these 107 nos. of fresh scholars have secured admissions in Gujarat's top most, reputed colleges as approved by us in Degree Engineering stream having excellent record of placement in good companies even in slowdown period and due to establishment large no of new colleges, resulting in much higher supply than Demand. It is also true in other streams.

Total nos. of Students Supported by us by now: By now, total Students supported by HEST are 1149+74 = 1223 nos.

14th year of activity (2019-20):-

We have till January, inducted 155 nos. of fresh scholars,
The Analysis of 155 nos. of fresh students inducted is as follows:-

(1) Income Analysis of these 155 nos of students' families:-

I

	Income upto Rs.50,000 Per Year	50,001 to 1,00,000	1,00,001 to 1,50,000	1,50,001 to 2,00,000	2,00,001 to 3,00,000	Total
Nos.	6	37	64	32	16	155

It can be seen that 69% of Scholars inducted have annual family income below Rs. 1,50,000=00 per year.

(2) Grade of Students in 12th (Science) Board Exam:-

Grade	A1	A2	B1	B2	C1	D2D/CBSE	TOTAL
Nos.	24	98	27	1	1	4	155

A1 = 91 to 100%, A2 = 81 to 90%, B1 = 71 to 80%, B2 = 61 to 70%., C1=51 to 60%

It can be seen that 78.70% of Scholars inducted have scored above 90% and 17% have scored above 80 % marks in 12th science.

(3) Analysis of Courses of these 74 nos. of students:-

	Medical Students	Engineering Students	CA/CS/DtoD	Total
Male	43	92	0	135
Female	11	09	0	20
Total	54	101	0	155

- i. Degree Engineering = 101 nos
- ii. Degree Medicine = 54 nos

All these 155 nos. of fresh scholars have secured admissions in Gujarat's top most, reputed colleges as approved by us in Degree Engineering stream having excellent record of placement in good companies even in slowdown period and due to establishment large no of new colleges, resulting in much higher supply than Demand. It is also true in other streams.

Total nos. of Students Supported by us by now: By now, total Students supported by HEST are 1223 + 155 = 1378 nos.

15th year of activity (2020-21):-

We have till January, inducted 134 nos. of fresh scholars,
The Analysis of 134 nos. of fresh students inducted is as follows:-

(1) Income Analysis of these 136 nos of students' families:-

	Income upto Rs.50,000 Per Year	50,001 to 1,00,000	1,00,001 to 1,50,000	1,50,001 to 2,00,000	2,00,001 to 3,00,000	Total
Nos.	02	22	68	29	13	134

It can be seen that 69% of Scholars inducted have annual family income below Rs. 1,50,000=00 per year.

(2) Grade of Students in 12th (Science) Board Exam:-

Grade	A1	A2	B1	B2	TOTAL
Nos.	10	98	19	7	134

A1 = 91 to 100%, A2 = 81 to 90%, B1 = 71 to 80%, B2 = 61 to 70%.

It can be seen that 80.59% of Scholars inducted have scored above 90% and 14% have scored above 80 % marks in 12th science.

(3) Analysis of Courses of these 134 nos. of students:-

	Medical Students	Engineering Students	Total
Male	62	64	126
Female	05	03	8
Total	67	67	134

- i. Degree Engineering = 67 nos
- ii. Degree Medicine = 67 nos

All these 134 nos. of fresh scholars have secured admissions in Gujarat's top most, reputed colleges as approved by us in Degree Engineering stream having excellent record of placement in good companies even in slowdown period and due to establishment large no of new colleges, resulting in much higher supply than Demand. It is also true in other streams.

Total nos. of Students Supported by us by now: By now, total Students supported by HEST are $1378 + 134 = 1512$ nos.

Employment of our scholars who have completed their Graduation:-

It is heartening to inform that many of our scholars have got excellent jobs in leading companies like:

- | | |
|-------------------------|--------------------------|
| 1. ZS Associates | 16. Godrej |
| 2. BPCL | 17. Financial Technology |
| 3. Infosys | 18. FAG Bearings Ltd |
| 4. Nirma | 19. Atul InfoTech |
| 5. TCS | 20. Alembic |
| 6. Larsen & Toubro Ltd. | 21. Ford Company |
| 7. TATA HITACHI | 22. Johson Controls |
| 8. Ford Company | 23. Torrent |
| 9. Reliance | 24. Linde |
| 10. GNFC | 25. Sunpharma |
| 11. Siemens | 26. GSFC |
| 12. Pfizer | 27. Elecon Eng. |
| 13. Videocon | 28. Accenture |
| 14. UPL | |
| 15. ALSTOM | |

Many of them have commenced their employment with annual pay-package of Rs.3 to 4 lacs while their family income has been up to Rs.80,000=00 while most below Rs.60,000=00 per annum even after many years of their hard work.

Success stories of few of our successful scholars are attached for kind information and to get idea of Empowerment, our Scholars are getting.

Copies of some of the letters sent of the letters sent to our Scholars and such letters are being sent continuously to motivate and inform/guide them.

Sub : The Details of HEST Scholars of the last 2 years to know and assist each other.

Dear Brilliant Scholars of HEST, Inducted this year in 2017-18 & last year in 2016-17

We are Very much proud of you as you could qualify for our Support, meeting our Criteria of Academic results and max family income.

We have attached profile of these Scholars of 2 years which give Complete idea of HEST and various Success Stories of our past Scholars which will be useful to you. You are aware that we are all grateful to our prime Donor, Share and care Foundation-USA.

This year, We have inducted total 107 nos. of fresh scholars whose details are enclosed so that you can remain in touch with them and also meet them. You can also get some information and guidance if required from these students.

We are also enclosing information of 154 nos. fresh Scholars inducted by us in 2016-17, last year so that you can Contact them as they are one year senior to you and as both being Scholars of HEST, you may help each other whenever required. You may seek advise of senior Scholars when you want to seek help and Guidance in some technical and other learnings so that you can more clearly grasp them. The Help and guidance of senior Students will also be required for the preparation of campus Interviews which will take place in 7th & 8th September. You will need to start your campus interview preparation from 4th/5th Semester Preferably.

You may develop friendship with fellow Scholars which may be helpful to all at any occasion.

We wish you best academic learning and to secure best results so that ultimately you can get best Jobs in best cos, with max salary package and UPLIFT your needy family who have Struggled for your Higher Education and for the family so far.

Please note that God has Kindly given you this Golden Opportunity to come up in life which you should sincerely make use The Time is much more than money. Please see that in 4 years, not a single minute is wasted and please concentrate in your Studies most sincerely as you did in 12th.

Best Wishes,

Your Truly

(J.K.Shah)
Managing Trustee
HEST
9895322121

My dear Brilliant Scholar of HEST, inducted in 2014-15,

Greetings

We are overjoyed to learn your recent mail informing that you have been selected in a reputed company with good salary package in your recent college campus interview. Hearty congratulations for your commendable success and progress. It is more so now, as job opportunities in general have dwindled.

Your company will be expecting you to secure minimum first division in your last semester and overall CPI, more than 6.0 or even 7.0. I am sure, you will secure much higher score in your last exams. Please do inform us when you join your Job.

In order that your junior colleagues who are now studying in 5th semester or so, get guidance from you, please do share your successful experience in facing campus interview including Aptitude test, with us so that we can forward it to them in order that they get fully prepared when they also face campus interviews in near future.

If your college or from elsewhere, you have received literature/book or prepared any notes on preparation for Campus Interviews please do send a copy to us so that this also can be forwarded to above students.

You are aware that our scholars are brilliant, who hail from less fortunate families economically and you and we both feel that with your continued hard work and determination, you have been greatly successful and you will now UPLIFT your family and impart much more comfortable living to your parents who have struggled a lot for your higher education etc.

I again express that we are proud of you and you will also consider company where you will join as your own company and do very best for them and make valuable suggestions so that your company benefits further and would feel that by selecting you, they have taken right step. Please remain in touch with Global trend in technology and development for products of your company by regularly reading technical and other magazines available in libraries etc and through internet etc. Please get full knowledge on you company's products so that you can confidently participate and contribute in meetings, seminars etc.

You know that in USA in large no. of top most companies like Microsoft, Google, NASA etc, Engineers of our Indian Origin have reached the top most position of CEO etc. This may inspire you to have such Goal too.

I am sure you will make your family, Our Trust (HEST) and Share and Care Foundation, USA and our country proud. Please note that there is no Wisdom in wasting valuable times in Gossip etc as by making proper utilisation of Time and its proper Management with firm determination there is nothing that cannot be achieved.

Wish you all very BEST. Please feel free to contact me, any time(Cell: 9825322121).

BEST WISHES

Jayant Shah

Managing Trustee

Higher Education Support Trust

Bharuch

Dear brilliant scholars of HEST, inducted in 2015-16,

You are aware that the mission of our trust (HEST) is that you are very brilliant child of your needy, struggling parents and that your parents and we and you also must be expecting that you will study very sincerely and seriously so that you get excellent results of each and every semester.

In semester 7 and 8 of Degree Engineering colleges, various good companies would come to your college for recruitment of Engineers. Each company will have their own criteria to call you for test, interview etc.

At the present moment, Job vacancies generally are few due to slowdown in growth in the industry and therefore, it is very much necessary that you should grab the opportunity to get the Job in your college campus interview itself as outside, off campus, it is much more difficult to get Job. Also, good, reputed companies recruit fresh Engineers only through college campus interviews and therefore, you may lose the chance to get job in such reputed companies who also offer better pay packages in campus recruitment.

You must have already started preparation for your college campus interviews from now itself. Normally, they may first take written test of those students who have obtained SPI/CPI as specified by them and those who clear written test will, further appear for aptitude, group discussion and personal interview etc.

Phase meet some of your senior students who would have appeared for campus interview in current year and get idea of how to prepare for campus interviews? Please get idea of books etc from them.

You will also need to express with good communication and presentation skill in group Discussion and personal interview. Hope by now you are good in English.

In short, you should strongly prepare for campus Job recruitment/interview procedure followed by companies coming to your college.

Please take firm determination/sankalp that you will certainly get excellent job with good package in your college campus itself. This will ultimately result into your decent life and also helping your parents, brother-sister to uplift their life style and live respectable life.

Please reply with efforts you have made and will make to obtain good job through your college campus recruitment by companies.

Best Wishes

Jayant Shah
Managing Trustee (HEST)

My dear students, inducted in 2014-15,

You are one of our brilliant students, inducted in HEST by us for our support, in 2014-1

Out of these students, Degree Engineering students at present would be studying in their 8th and last semester while during current studies, these Degree Engineering students including yourself, might have appeared for Campus Interview in your college, held by various companies at your college campus for the recruitment.

In some Engineering colleges, such campus interviews might be still continuing.

We would request you to inform the following:

- 1) In how many companies' campus interview, you were called for interview and you have appeared in it?
- 2) In which company you could get selected and if so, please inform us by mail, the name of the company and salary package offered to you. Have you accepted this offer?
- 3) In case of how many companies', campus interviews, you have appeared but could not get selected in any. Please give reasons of not getting selected.

You must be aware that the availability of Jobs directly, outside campus interviews is very tough and most of the reputed companies with good salary packages recruit their requirements only through college campus interviews. The Job availability directly in general is not very encouraging. It is rather scarce. You should make serious attempts to get good job.

Please reply immediately.

Best Wishes,

J. K. Shah

Managing Trustee, HEST

Subject: Most Critical Mile-stone of your Life: college campus Job Interviews.

Dear Scholars of HEST, inducted in 2020-21,

You are now studying in the 7th semester which is last year of your Degree Engineering studies.

You will have campus Interviews for Jobs in semester 7th & 8th you may be aware that the fresh jobs availability in the country is not satisfactory and reputed companies recruit fresh Engineers only through campus Interviews which they take in their certain Approved colleges only. It is therefore very important and critical that you must secure a Job in companies coming in your college as off-campus, Job availability is scarce and very difficult to get.

You also must be aware that companies take campus interview in following manner:-

- I. Aptitude Test which is normally not taught in your Engineering course but some colleges are giving training for it by external tutors.
Generally, students learn Aptitude Test from "Quantitative Aptitude "book of Dr R.S.Agarwal. This book is available in Amazon India, online.
- II. Written test on your Engineering subjects and on Aptitude. Also coding test for IT/Computer students.
- III. Group Discussions : In this, students need to participate lively which is possible if you develop good communication skill and
 - a. Reasoning on the topic, to be aware of current affairs / Topics etc.
 - b. Participating, body language.
 - c. Expressing in short time (Time Management)
 - d. Presentation (Articulate)
 - e. Summarizing
 - f. Creativity
 - g. Listening
 - h. Proactive
 - i. Be Analytical
 - j. Practice public Speaking

You can make a group of 4/5/6 of your college friends and practice for Group Discussions. Lot of hints are also available in the internet also.

- IV. Oral personal interview mainly for HR / Personnel matters.
You should take Guidance from your placement officer and seniors to perform better in the campus Interviews and secure a Job.

V. It is observed that in spite of studying in the Best-reputed colleges, some students fail to secure a job in college campus. This will be tremendously PAINFUL matter like Paradise lost. You must make serious & sincere preparation for campus Interviews

Sometimes, some students have some preference for a particular type of job like Marketing , Production, Planning, R & D etc but it is better to not to attach yourself for a particular branch as there is scope of development in all branches and department if you are sincere.

One thing is to be kept in mind that if you fail to get Job in campus interview in your college, it would be difficult for you to get any good Job off- campus and you will have to compromise for second Grade Job with low salaries. Some students neglect college campus Interview as they target for Govt Jobs. We have observed that thousands of candidates appear for few Govt jobs. Many students go on appearing for their written tests even for 2 years and still do not get Govt Jobs. Sometimes they get Job with low salaries. We recommend that you should not waste your valuable time for this option and try to get good Job in your college campus only.

Secondly, some students wish to undertake further study in India or abroad but it may happen that it may not materialize for any reason and therefore you must secure a college campus Job and keep it in your pocket which will be of great help if you cannot undertake higher studies.

There are following campus- interview trainers located at Ahmedabad to whom also you can contact for guidance.

- 1) For Aptitude test: Sri Alope shah (cell no . 78785 55688)
- 2) For GD & Soft Skill : Smt vibha Tank (cell no. 99740 07476)

If you want to take training from above trainers or any other trainers of CRT Training institutions, please contact us. They will need about 25/30 Hrs each for giving you training so 8 to 10 Saturdays will be needed.

If you wish to take training from them or other known experts we will offer you loan for training cost up to Rs. 5000/- . Please inform and take our prior permission. If cost is higher than Rs. 5000=00 please get our prior approval.

In short, you must secure good Job in your college-campus-interview. It is most critical matter for you in your Life. You must WIN. You must spare about one hour everyday or 10 hours every week including Sundays for campus interview preparation.

Last year, many of our scholars had secured excellent jobs with very good salary packages. Some of them have given to us details as to how they prepared for campus interviews and also have given reference for getting reading materials and websites. Copies of their nice recommendations are attached for your getting prepared and getting excellent jobs. You can also take advice from your senior students of your college for campus interview training success.

Please reply with actions you are taking for this critical matter.

This is very critical please reply.

For any clarification, you can contact me on 9825322121

Best Wishes

J.K.Shah

Hey, find some important tips and resources for the interview preparations below.

For CS / IT students

Prepared by:

Nigam Pithadiya

Contact:

6355152617

- Be strong with some of the computer fundamental subjects and DSA (Data structure and Algorithms).
 - Core Subjects (Youtube links)
 - Database management System.
 1. [Youtube Playlist](#)
 2. [Cheatsheet](#)
 - Operating System.
 1. [Youtube Playlist](#)
 2. [Cheatsheet](#)
 - Object Oriented Programming.
 1. [Cheatsheet](#)
 - Computer Networks.
 1. [Youtube Playlist](#)
 2. [Cheatsheet](#)
 - For approaching any subject, it should be studied thoroughly and then you can attempt the cheatsheet (almost reliable resource).
 - DSA (CheatSheet links)
 - [Love Babbar's Cheatsheet](#)
 - [Raj Vikramaditya's Cheatsheet](#)
 - Just trying this cheatsheet won't help you at all before knowing concepts of DSA. If you have enough time, attempt the 1st cheatsheet otherwise 2nd is also enough.

- For enhancing coding skills one can either go with development or competitive programming or both.
 - Recommendation: Pick anyone where your passion lies. But from an interview perspective you could choose competitive programming (CP).
 - Do competitive programming is not a must instead you can build a strong profile in DSA only. Again if you have a potential CP is recommended.
- For CP you have to be consistent with problems you solve per day. Some of the important resources to kickstart.
 - Youtubers:
 - [Raj Vikramaditya](#)
 - [Code NCode](#)
 - Written Material (Best site for any kind of algorithms)
 - [cp-algorithm](#)
 - Platforms for coding Practice
 - [GeeksForGeeks](#) (DSA)
 - [LeetCode](#) (DSA / CP)
 - [Hackerrank](#) (DSA / CP)
 - [Hackerearth](#) (DSA / CP)
 - [CSES](#) (CP)
 - [Atcoder](#) (CP)
 - [Codeforces](#) (CP)
 - [Codechef](#) (CP)
 - First learn concepts from online resources provided and then practice topic wise. Do Hackerrank / Hackerearth for topic wise problems along with CSES for good rated problems.
 - For participating in online contests, Atcoder is highly recommended for beginners and then could go with Codeforces and Codechef.
- For aptitude, you can learn from youtube videos where plenty of content is available. Same way for practicing, you can google and find some resources. (I haven't followed any certain resources as such).

- Don't bother much about all the academic subjects. Give your time in your interests (development, DSA, CP). If you genuinely follow the above mentioned tips then will definitely end up with a great opportunity in hand (Only for CS / IT students).

Digital Circuits

I did complete DC from Anand Kumar itself, many say Morris Mano but I never referred that book. It is entirely your call.

DC and DSD are the most important subjects, even before VLSI. So be expert at state machines

and related stuff. You might refer Charles Roth for DSD synch/asynch design, it is a good book.

Best link to revise Digital circuit concepts

Apart from Anand Kumar and Charles Roth, for DC revision and some good questions, read as much as you can do from below link:

<http://www.explorerooots.com/ds23.html>

For some puzzles and good questions (DC +

VLSI mixed) [\[soc.blogspot.in/p/puzzles.html\]\(http://soc.blogspot.in/p/puzzles.html\)](http://vlsi-</p></div><div data-bbox=)

I am attaching a separate folder [digital.zip](#) which contains downloads from above two links only, but only those which I had read. That might be helpful if you do not have much time to browse all sub pages.

Setup time hold time based Questions

<http://www.vlsi-expert.com/2011/04>

This is very important topic, asked at many places. NXP written had questions directly from timing. Some interviews were also on STA (static timing analysis)

Multiple parts are present at this link, I did it up to part 6a. Depending on how much you can understand try to cover it.

Important ones among them are, as far as I remember it now: part 1,2, 3a,3b,3c, 5a,5b,6a

Interview Preparation Resources 1

Attachment Timing Analysis.rar contains downloaded pages from vlsi-expert for offline reading.

For VLSI basics

Entire Sang Mo Kang book as DIC syllabus.

If you have time, then complete DIC syllabus is must. Still I am writing some important points, if you end up with DIC left on last day.

Chapter 3, 5 and 6. (We did not see any numerical based questions like some involved long iterative solving which were discussed in class, so no need of getting into that depth). No one gets into dynamic logic tough concepts like Domino Logic, Zipper, NORA etc. But PASS Transistor, transmission gates and all is important.

Good Links for VLSI concepts

<http://www.vlsiplacements.com/2011/07/>

[cmos-part-1.html](http://www.vlsiplacements.com/2011/07/cmos-part-1.html)

<http://www.vlsiplacements.com/2012/10/>

[cmos-part-2.html](http://www.vlsiplacements.com/2012/10/cmos-part-2.html)[http://vlsi-](http://vlsi-soc.blogspot.in/)

[soc.blogspot.in/](http://vlsi-soc.blogspot.in/)

Refer attachment of the shared drive folder link at the end of the document.
From that follow the VLSI.rar for some part which I read from links already mentioned above.

FIFO concepts (NXP/ADI had asked question on this topic) - Question of FIFO Depth are

important:

<http://www.fullchipdesign.com/fifodepth>

<http://www.asic-h.htm>

http://www.tidbits.com/fifo_depth.html

Refer attachment FIFODEPTH CALCULATION MADE EASY 2.pdf provided in the drive link shared at the end of document, which I had used. It is nice and covers multiple types of questions relating to FIFO, these might be enough.

PASS transistor related question (freescalar, ARM asked this question)

<https://allthingsvlsi.wordpress.com/2013/04/05/nmos-pass-transistor-voltages/> Memory Related Concept

Read MPA Book Llpasti, or refer video's below: (Lecture 18,19,20) from this nptel series <https://www.youtube.com/watch?v=Opp-annh9sg>

Learn logical effort also from:

Interview Preparation Resources 2

<https://allthingsvlsi.wordpress.com/2013/12/08/logical-effort-calculation/>

all things vlsi is a good link, explore it for more important stuff relating to VLSI apart from logical effort.

OPAMP Related:

Some companies also get into EDC, Opamp stuff. I only did basics from gayakwad, still some links: <http://ecetutorials.com/analog-electronics/instrumentation-amplifier/>
http://www.st.com/web/en/about_st/learn_fd-soi.html

Even questions are sometimes asked on current mirrors.

Verification (UVM):

Don't spent time on this too much, by the way you may not even have access to material: SV,UVM all this is not compulsory it is add on:

<https://verificationacademy.com/>

Other VLSI Links:

Introduction:

I, Viranch Patel, am a final year Computer Science and Engineering student from IIT Goa. My primary interests are related to Software development and Programming. Hereby I will share some resources that helped me in my placement journey. I hope it will help many of you as well :)

Placements road map for IT/Software related jobs.

There are many placements-related roadmaps available on Youtube, I will attach all the links herewith. I will briefly mention the essential topics that one should focus on during the journey of 4years of engineering. So that at the starting of the placement season one will be fully prepared for the interviews, if he/she had given importance to all the aspects.

P.S. I'm not a pro guide who can guide anyone for placements. I'm just sharing my thoughts and resources that helped me in my placement journey :)

For any IT/software-related job interviews, these are the main areas one should focus on.

- **Technical skills and academics**
 - **Data structures and Algorithms (VVVImp)**
 - **Computer science related subjects** (If the student is in CS or related field, he/she should have all the mandatory knowledge of the CS subjects such as OS, DBMS, Networking (Prepare these subjects smartly, not just go blindly and start preparing))
 - **Projects and Internships**
 - Make some decent projects of your interest while you're in your first, second and, third year.
 - It can be related to any field of your interests.
 - Do some good internships in your first three years. (Sources to find - LinkedIn, Career website of the companies, some telegram groups that I have shared at the end of this document).
 - The companies for internships can be any startup or any big companies. Your main focus should be learning new technologies and skills during the internships.

- **Academic grades**
 - Many students tend to ignore this, but believe me, it's important for many big companies in the shortlisting process and if you want to go abroad for masters in future.
 - Start maintaining a decent CGPA from the upcoming semesters.
- **Soft skills**
 - **Communication**
 - This is the important aspect of any interview. Many of you might have studied in Gujarati medium until the 12th standard (I also studied in Gujarati medium).
 - So you have to start communicating in English with your friends, professors, family, or whoever is comfortable in English.
 - It takes time to improve, but if you don't start then, you won't succeed.

I have attached the links of resources that might help you in the areas that I mentioned above.

- **DSA**
 - You can choose any platform of your choice to practice the problems of DSA, but many of my friends and I preferred interviewbit or Leetcode.
 - <https://www.interviewbit.com/practice/>
 - <https://leetcode.com/>
 - You should participate in time-restricted contests because this will help you when you'll be giving the online test of an actual company.
 - Geeksforgeeks is the best resource for DSA related written material.
 - I have followed many Youtubers for different topics of DSA. I'm attaching the links to them. You can choose if you want to take reference of them or not. Youtube is full of content, you can take maximum benefit from that.
 - <https://www.youtube.com/c/takeUforward>
 - <https://www.youtube.com/channel/UC5WO7o71wvxMxEtLRkPhiQQ>
 - <https://www.youtube.com/c/Pepcoding>

- <https://www.youtube.com/c/TECHDOSE4u>
- <https://www.youtube.com/c/LoveBabbar1>
- There are many more things on Youtube, but I don't want to confuse people by attaching more and more links, so you can go and explore yourself about what you like and prefer.
- Here's the important sheet that helped me and thousands of students in DSA related problems in interviews.
 - <https://takeuforward.org/interviews/strivers-sde-sheet-top-coding-interview-problems/>
- For the projects part, you can take any of the topics of your choice and make some cool projects with your friends or solo as well. Because at the end your skills of development and the DSA will matter the most in placements.
 - You can refer to some of the channels from the following videos for more knowledge if you want to.
 - https://www.youtube.com/results?search_query=projects+for+placements
 - This is a very subjective area, and all the people can have different opinions about the projects, so I guess exploring all the fields on your own is the best solution.
- Core subjects
 - I preferred the following document and prepared the most important questions of all the subjects.
 - <https://takeuforward.org/interviews/must-do-questions-for-dbms-cn-os-interviews-sde-core-sheet/>
- You can follow some of the best channels for this from youtube as well.
 - <https://www.youtube.com/channel/UCJihyK0A38SZ6SdJirEdlOw>
https://www.youtube.com/c/KNOWLEDGEGATE_kg

Profile of JAYANT K SHAH – Managing Trustee

- BE (Elec.) from M. S. University of Vadodara
- 1 Year worked with Cooper Engineering – Pune
- 13 Years worked with M/S Bokaro Steel Ltd.,
- 24 & ½ Years worked with M/S. GNFC Ltd., Bharuch
- Retired from GNFC as a Special Director in 2002 – was in charge of Marketing and Materials.
- Was Managing Director of GNFC's subsidiary M/S.NARMADA CHEMATUR PETROCHEMICLAS LTD from 1999 to 2002 during which time, the company was turn around.
- Ex- Advisor of Adani Petronet (Dahej) Port Ltd. Developing a PORT at Dahej. Previously, he was Managing Director of this Adani Group company.
- Chairman & founder of Book Lovers' forum Bharuch
- Vice President of Pandit Omkarnath Sangeet Mandal.
- Past President of Zadeshwar Jain sangh.
- Past President of BDMA and Jain Social Group.
- Past Chairman GNFC employees Co-Op. society.
- Past Hon. Secretary NARDES (GNFC's social services society)
- Past committee member CII Gujarat & FGI – Vadodara
- Past chairman of YUVA Forum – JSG
- Chairman of School adoption programme(Gyan Ganga Project). JSG.
- Founder & Managing Trustee "Higher Education Support Trust".
- Recipient of "NEHRU AWARD" at Bokaro Steel Ltd.
